

THE FAMILY OF ALL IN ONES™

SMART MINI BULK TANK PACKAGES

THE VALUE-DRIVEN SOLUTION FOR STORING & DISPENSING

BENEFITS & FEATURES

Our innovative all-in-one tank setup has become a staple in the industry – and because of so many requests, we’ve expanded it to handle more than just DEF. We now offer variations for DEF, oil, coolant, and windshield washer fluid. Our All In Ones come in several different builds to fit your needs or budget, including an economy package, packages with lockable cabinets, fuel management systems, packages for northern and southern climates, and high-flow packages.

Our sizes include:

- » 525 gallons
- » 750 gallons
- » 1000 gallons
- » 1500 gallons
- » 2000 gallons
- » 3000 gallons
- » 6500 gallons
