

# DEF PRO ALL IN ONE MINI<sup>+</sup>

## DOUBLE WALL RELIABLE STORAGE

### BUILT WITH SAFETY AND THE ENVIRONMENT IN MIND

Following the North American success of TECALEMIT'S DEF PRO Mini bulk line, a more compact and smaller platform is now being introduced. Meet the new DEF PRO All In One Mini<sup>+</sup>. This new TECALEMIT turn-key package is an ideal solution for all your smaller DEF needs that require a double wall configuration as well as tighter dimensions. The outer tank is leak-proof, weld free galvanized steel, and rollseamed with an oil and fire-resistant seal. The inner tank is blow-molded, HDPE that is seamless, and also leak-proof.

Save time and resources by going with a solution that provides the best two German components (Pump & Tank) to our industry within a single turn-key bundle.

#### TECALEMIT W85 HORNET PUMP

##### DEF PUMP

100% continuous duty cycle
Thermal overload protection
Power: 115v 60hz
Flow rate: 12 gpm
Self Priming
Max. pressure: 36 PSI
24 month limited warranty
German Made

NFPA® 31

CSA

#### MICROMATIC COMPONENTS

##### CLOSED LOOP SYSTEM

DISPENSE COUPLER

VALVE (RS-DV)

DOWNTUBE

CLOSED SYSTEMS control and manage DEF purity throughout the supply chain to ensure maximum SCR Technology performance and longevity. Provides tamper evidence and supports DEF Warranties. All Micro Matic DEF parts are compliant with ISO 22241

Every DEF PRO MINI<sup>+</sup> is outfitted with these components for your piece of mind and long term reliability.

##### WHAT IS ALL INCLUDED IN MY PACKAGE?

- Double wall tank
- Tank base
- 2" vent
- Leak detection visual gauge
- Mechanical level gauge
- MICROMATIC components
- DEF pump & stainless steel bracket
- Automatic stainless steel nozzle
- DEF turbine meter
- 4FT suction hose
- 20FT dispense hose
- \*\* Hose reel(s) are optional\*\*
- \*\* Hose reel base is optional\*\*
- \*\* DEF pulse meter is optional \*\*

##### TANK KEY BENEFITS:

- Leak proof and will not corrode
- Outer Tank holds 110 percent of inner tank for maximum protection
- Up to 50 percent lighter than conventional steel tanks
- Compact footprint, eco design
- Provides maximum storage safety with minimum space requirements.
- Removeable base facilitates access to tight spaces and greater stability.
- Wide handles on each end allow you to transport and handle your tank with ease.
- German made

##### PUMP KEY BENEFITS:

- True 100% continuous duty cycle
- UL / CSA approvals
- 10K RPM motor=faster priming & strong dispensing side
- German made

# DEF PRO ALL IN ONE MINI<sup>+</sup>

## TECHNICAL SPECIFICATIONS

**BUILT WITH SAFETY AND THE ENVIRONMENT IN MIND**

Each tank undergoes thorough testing, including ultra-sound and pressure testing, to ensure optimal thickness and sealing.

### DOUBLE WALL DESIGN

Uniquely designed DEF tanks are the safest and most reliable double wall set ups on the market.

### SLIM FOOTPRINT

Slim design makes it more flexible for product placement and overall handling of these packages.

### CLOSED LOOP SYSTEM

Maintaining product integrity for overall best performance and on road reliability of your vehicles.

### DEF PUMP

This package would not be complete without the Hornet W85 continuous duty cycle DEF pump. Always out-performing the competition.

### WARRANTY

All In One Mini<sup>+</sup> double wall tanks come with a generous 30 year limited warranty.
