

OILPRO ALL IN ONE

MINI BULK TANK PACKAGES

TURNKEY AND VALUE-DRIVEN SOLUTIONS

TECALEMIT's lube oil platform has continued to evolve for the sole purpose of offering a better, and more efficient, lube oil mini bulk turnkey solution.

Meet the new OilPRO All In One mini bulk: a smart, turnkey solution that speaks value, performance, and ultimate reliability. The DEF PRO All In One platform disrupted the DEF mini bulk platform; now that same recipe is being reworked to bring you updated lube oil mini bulk solutions.

Available in numerous tank configurations, pump options, and performance accessories that can be added to any package, the OilPRO All in One is carving a new pathway as the best turnkey, value-driven lube oil mini bulk storage and dispenser.
