

TOTE OilPRO

Lube/Oil Dispensing Package

TURNKEY AND VALUE-DRIVEN SOLUTIONS

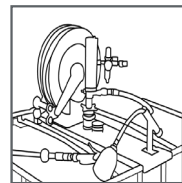

TECALEMIT's lube/oil equipment solutions have evolved for the sole purpose of offering better and more efficient user-friendly packages.

Meet the Tote OilPRO side-mounted dispensing package: A much-needed, ergonomic evolution of the traditional approach at mounting your piston pump, hose reel, and dispensing nozzle. This new package boasts value from the perspective of ease of set up and a full turnkey solution that is easier to move around and transfer from tote to tote.

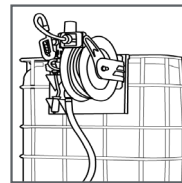

Available in standard configuration with 3:1 pump, 50ft x 1/2" oil hose reel, digital dispensing nozzle, nozzle holder, and custom tote bracket. The new Tote OilPRO package is the latest evolution for oil dispensing from an IBC tote!

**Package includes all items listed above. TOTE OilPRO bracket not sold separately.
