

TOTE CoolantPRO

Chemical Dispensing Package

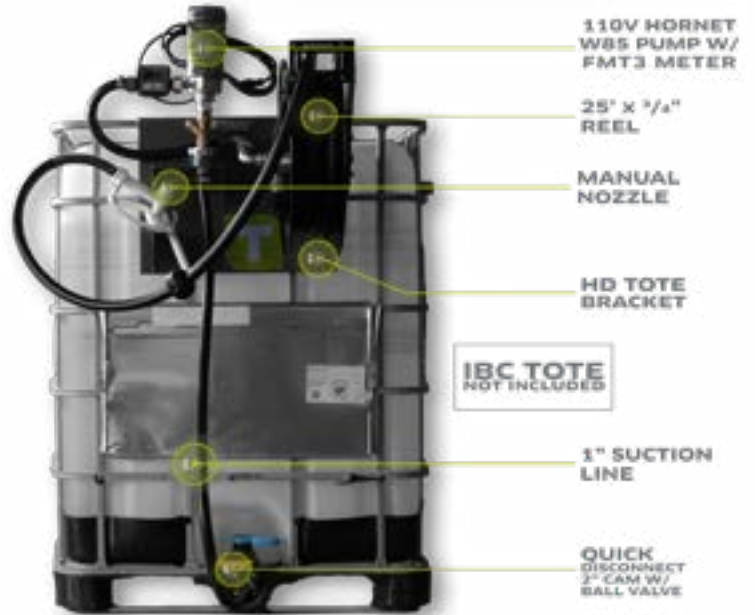

TURNKEY AND VALUE-DRIVEN SOLUTIONS

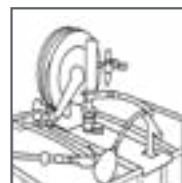

TECALEMIT's chemical equipment solutions have evolved for the sole purpose of offering better and more efficient user-friendly packages.

Meet the Tote CoolantPRO side-mounted dispensing package: A much-needed, ergonomic evolution of the traditional approach at mounting your pump, hose reel, and dispensing nozzle. This new package boasts value from the perspective of ease of set up and a full turnkey solution that is easier to move around and transfer from tote to tote.

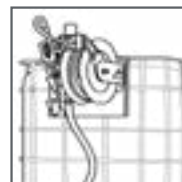

Available in standard configuration with 110v Hornet W85 pump, 25ft x 3/4" hose reel, manual dispensing nozzle, and custom tote bracket. The new Tote CoolantPRO package is the latest evolution for chemical dispensing from your IBC tote!

**Package includes all items listed above. TOTE CoolantPRO bracket not sold separately.
